

# STYROFOAM RECYCLING COMES TO SANTA BARBARA!

**MarBorg Industries & Heal the Ocean have joined hands to  
create a Pilot Program for Styrofoam Recycling in SB.**

**NO LONGER DO YOU HAVE TO DUMP THIS  
OCEAN-POLLUTING MATERIAL IN THE TRASH!**

*No More!*

In the MarBorg/HTO program, Styrofoam is “densified” into viscous material that is reformed into usable products – mirror & picture frames, even into new packing materials. This is a pilot program. Heal the Ocean & MarBorg hope the public will help make it successful by using the free drop-off locations, and by only bringing in CLEAN Styrofoam. Any size and shape is OK!

Bring ALL Styrofoam to the following MarBorg locations for FREE drop-off:

- Goleta - 20 David Love Place  
(Take 101/South Fairview exit)
- Downtown - 132 Nopalitos Way  
(Lower Milpas area, near Post Office)

It can be ANY form of Styrofoam, all the stuff electronics are shipped in, construction material, etc. even meat trays (but the Styrofoam must be clean—no tape or aluminum wrapping, concrete, food, etc.).

NOT ACCEPTED: Packing “peanuts” and the softer Polyurethane foam materials used in memory foam, packing cloth sheets, etc. These gum up densifiers. Please take to various mail services that reuse them.

---

**To Brian Borgatello, President of MarBorg Industries,  
Heal the Ocean sends a big Thank You!**

**(All the creatures of the ocean thank you, too!)**

---

MarBorg Industries, a family-owned business that has operated waste management in Santa Barbara for over 75 years, is CalRecycle certified. • [www.marborg.com](http://www.marborg.com) • (805) 963-1852

Heal the Ocean is a 3,000-member citizens action group addressing ocean-pollution issues. 1430 Chapala St., Santa Barbara, CA 93101 • [www.healtheocean.org](http://www.healtheocean.org) • (805) 965-7570

HTO thanks our generous donors for funding our share of program costs.

# GOT STYROFOAM?

## PLEASE RECYCLE

Now Available **FREE DROP-OFF** at the two locations below:

**Styrofoam NOT ACCEPTABLE in your blue bins**

FREE DROP-OFF AT:

**MarBorg Recycle Centers**

**Goleta - 20 David Love Place**  
(Take 101/South Fairview exit)

or

**Downtown - 132 Nopalitos Way**  
(Lower Milpas area, near Post Office)

**YES:** If it “snaps” into pieces, it is acceptable. Please remove all tape, wrapping, etc. All items must be empty, clean & dry.

**NO:** If it bends without snapping, it is unacceptable. Packing peanuts, any foam that once held food, packing foam sheet, memory foam, pool noodles, and concrete-coated foam.

Styrofoam will be repurposed into mirror & picture frames as well as new packaging materials.

**THANK YOU!**
